The 1976 Hassayamper staff takes great pride in dedicating our year-book to the late Mr. Sinclair Louttit for his many years of devoted service to the youth of Prescott.

In September of 1942 Mr. Louttit was hired as a sixth grade teacher at Washington Elementary School. He later became principal of that school, then of Dexter, as well as director of the elementary schools here.

In 1961 Mr. Louttit became principal of the Prescott Junior High School. He retained that position for 13 years until he retired June 30, 1974. He spent 32 years with the Prescott Public School System.

Mr. Louttit was a member of the Prescott Library Board, the Yavapai County Sheriff's Posse, the National Education Association, the Arizona Education Association, and the Secondary School Principal's National Association.

Mr. Louttit was born December 29, 1909 in Prescott. He attended grade schools in Jerome and Prescott and graduated from high school in Clarkdale. He received his B.A. degree in education in 1933 at Mississippi State Teachers College. In 1942 he received his M.A. degree at the University of Mississippi.

For his inspiration, guidance and devotion toward education in Prescott, we dedicate our year-long endeavor to him.

...OUT...

Blow, wind, to where my loved one is,
 Touch her, and come and touch me soon:
 I'll feel her gentle touch through you,
 And meet her beauty in the moon.
 These things are much for one who loves—
 A man can live by them alone—
 That she and I breathe the same air,
 And that the earth we tread is one.

Anonymous

Why should we be in such desperate haste to succeed and in such desperate enterprises?

If a man does not keep pace with his companions, perhaps it's because he hears a different drummer.

Let him step to the music which he hears, however measured or far away.

Henry David Thoreau

Progress

At every crossway
on the road
that leads
to the future
each progressive spirit
is opposed by
a thousand men
appointed to
guard the past.

Anon

O U T

The halls are empty
The echo of laughing voices rings
Everyone's left to do other things

The silly girls have left
The little boys have all gone
Everyone's grown up and had to go

There are no more pencils, papers, or books
Everything's different about the way the
school looks
The last bell has rung

Kathy O'Br

No one knows what he can't do until he tries.
Anonymous

My interest is in the future, because I am going to
spend the rest of my life there.

Charles Kettering

Everybody seems

Friendships last when each
Friend thinks he has
A slight superiority
Over the other

Out of it

Don't walk in front of
me I may not follow
Don't walk behind me I
may not lead
Walk beside me
And just be my friend

Camus

'Tis easy enough to be pleasant
When life flows by with a whistle,
But the man worth while
Is the man with a smile
When he sits down on a thistle.

Leonard Louis Levinson

Hi Dan!
 I like this
 color so I'll write
 here. I don't know
 what to say except -
 have a great summer +
 be good. See ya
 next year if
 not this
 summer.
 Love,
 Margaret
 Jensen

Let us be the first to
 give a friendly sign,
 to nod first, smile first,
 speak first, and----
 if such a thing is necessary
 forgive first.

The child looks upwards
 At the blue sky above.
 He lifts his tiny hand
 And longs to touch the sky.

Unable to perceive
 That the sky is an illusion:
 The child thinks that he cannot reach it.
 When he hold it in his hand.

Manuel Bandeira

I think, therefore I am--I think

*The years skip along easily,
It is the days that are tough.*

Letting things go in one ear and out the other is bad enough but it's worse when things go in the ear, get mixed up and come out the mouth...

Good Morning, Yesterday.
You wake up and time has slipped away,
And suddenly, it's hard to find,
the memories you left behind.
Remember, do you remember/
The laughter and the tears,
the shadows of misty yesteryears.
The good times and the bad, you see,
and all the others in between,
Remember, do you remember the times of
your life?

STUDENT LIFE

OUT-RIGHT

Without going out of my door
 I can know all things on earth.
 Without looking out of my window
 I could know the ways of heaven.
 The farther one travels,
 The less one knows,
 The less one knows.
 Without going out of your door
 You can know all things on earth.
 Arrive without travelling.
 See all without looking.

The Beatles

He that knows not what the world is, knows not where he is himself. He that knows not for what he was made, knows not what he is nor what the world is.

Marcu Aurelius

Only today is ours.
Yesterdasy can only
be remembered, and
tomorrow is unknown.

Although one among millions, each person appears as his own distinct self—uniquely his own person.

The uncertainties of tomorrow are forgotten in the joys of today.

The smile is the most pleasing feature.

Because tomorrow cannot change the way we were yesterday, memories are the best thoughts.

ACTIVITIES

OUTGOING

STUDENT COUNCIL PROVIDES

LEADERSHIP

Student Council

The Student Council was very active during the 1975-76 school year. Among the numerous events scheduled by Student Council were the various homecoming week activities, after game dances, coordinating elections, and initiating the TRAGYC program, which involved teaching traffic safety to young children.

Student Council also made arrangements to set up tables and chairs in the planter area for eating, and attended the student council convention.

Officers in Student Council were: Ruthie Knight, president, David Alegre, vice president, Ginger Martin, corresponding secretary, Teri Stevens, recording secretary, LaRee Turley, treasurer, Kathi Evans, head cheerleader, Neysa Donaldson, publicity chairman, and Betty Travis, ICC representative.

Ruthie Knight, Neysa Donaldson, and Kathi Evans were all two-year members; the rest were in Student Council for the first time.

DISNEY DAZE

CHOSEN

HOMECOMING THEME

The annual homecoming week was attended by the usual festivities as students competed in such wide and varied events as tricycle races, bubble gum blowing contests, and hoppity hop, that ridiculous ball-bouncing game.

Another event that was held during the week was the slave sale, in which senior cheerleaders, pom pon girls, and football players were offered at rock-bottom prices, although a few of them obtained a minor markup.

In the way of the more important events of the week, the best float was the senior float, and the homecoming king and queen were Bruce Joshu and Amy Ireland.

In picture below, Amy is shown with escort John Hickey.

The tone of the week was set by the Disney dress-up day, during which students vested themselves in costumes depicting Mickey Mouse, Donald Duck, Goofy, and several other assorted characters, as in the picture on opposite page, in which Mrs. Jan Duran cannot help but fly away leaving Peter Pan behind.

Another activity widely participated in was '50's dress-up day, when students wore the nostalgic robes of yesteryear. In picture at far right, the lowered skirt styles of the '50's seem to have no effect on Kathy O'Brien and Lorraine Lovingood.

Girls battle under boards

Seniors Victorious

The juniors suffered an embarrassing defeat in this year's powderpuff basketball game, as they lost both of the games that were played.

The games were run in a slightly unorthodox manner. The junior team was divided into halves, and one of these halves played during the entire first game. During the second game the other half of the team played. The same system was used for the senior team.

In the first game the juniors lost in a close 17-15 decision. The score for the second game was more lopsided, as the juniors suffered a 26-10 drubbing from the well-conditioned senior team. This score was added to the score of the first game, to make a total of 43-25, seniors.

The high scorer for the seniors was Dian Carey, who scored ten points for her team. For the juniors the top scorer was Delia Chavez, who pulled off nine points. Senior coaches were Mr. Viliborghi and Mr. Howell; junior coaches were Mr. Love and Mr. Mezera.

GIRLS CHOIR

'Bye Bye Birdie'

"Bye Bye Birdie" was presented on three consecutive nights by the PHS Music Department. Mr. David Lunt was the director for the play, and the leads were Albert Peterson, played by Kent Arnold, Rosie, played by Amy VanWinkle, Conrad birdie, played by John Hickey, and Kim McAfee, played by Jonelle Smith.

The plot of the musical followed the drafting of a singing star (Conrad Birdie) into the army, which, needless to say, put an end to his musical career. The real conflict of the play, however, was between Rosie and Albert. Rosie wanted to settle down and get married to Albert, but Albert was not quite ready for that yet, especially since he was still under the power of a domineering mother (played by Robin Ettinger) who made all the decisions for him, and who thoroughly detested Rosie.

The musical was a big success, and the concerted effort of the Music Department resulted in an excellent production that had universal appeal.

Theater Productions

The theatre department produced several plays during the school year. The Thespians presented three one-act plays "Overtone," "Feiffer's People," and "The Importance of Being Earnest." The advanced theatre arts class performed *The Odd Couple* on two consecutive nights. A cutting from the play *The Taming of the Shrew*, was also performed. This cutting was produced for the district tournament, and it was open to the entire school.

The TV Broadcasting crew started off fresh this year, as it acquired a new instructor, Miss Carolyn Hoffman, and an all new staff, except for one student who returned from the year before. The crew made up for any inexperience that they may have had, however, by their novelty, exuberance, and originality.

Some of the individual awards include Outstanding Athlete - Joe Josytewa, and Most Improved - Leonard Winney. Coach Wherley also wishes to thank the seniors for an outstanding effort in making this season a season to remember.

This season did not go as well as expected for the Varsity Wrestlers. This was due partly to a young and inexperienced team. Also, the competition was tough. The highlight of this year was John Bustamante being selected to wrestle in the Japanese Nationals. It was a privilege not granted to many grapplers.

Coach Castaneda

The outstanding wrestler for the 75-76 season was Gary Apolinar. Most Improved grappler was Ron Adams, with Brad Johnson getting the most falls for the year.

For the first time in 12 years the JV wrestling squad had a winning season with a record of 6 wins and 5 losses. This year the team started a new program to learn discipline, pride, and character. By doing this next year will see a fine enthusiastic and experienced team.

Tim Ketring had a fine season with a record of 10-0, Van Parson had a 7-3 season, and Tori Simpson ended with a 5-2 record. We would like to congratulate the JV's!!!

The 1975-76 Badger basketball team experienced a most unusual season. Sickness and injury so riddled the team that midway through the year a game was postponed because only five players were available. Those with a weak heart would have suffered because the Badgers were involved in eleven 1 or 2 point games. It was commonplace for a game to be decided in the last 30 seconds. The 14 wins and 10 losses were not indicative of the great effort the team put forth each game. Highlights of the season included the consolation Championship at the Brophy Christmas Tournament, and second place finish in their league, a last second made basket which defeated St. Mary's and the well deserved position as the fourth best defensive team in the state. Outstanding for the Badgers included Joe Krznarich who became the fifth highest single season scorer in Prescott history. Joe was named first team all-league, first team all-division, all-tournament team in both the Brophy Christmas Tournament and the Skyline Division Tournament. Chris McCord made honorable mention, all-league. Co-Captains were Vince Fornara and Steve Fraher. The Most Valuable Player award went to Joe Krznarich, Most Spirited award went to Steve Fraher and the Most Improved Player award went to Robert Cottle. Seniors Fornara, Cottle, McCord, Fraher, and Drake gave much to the Prescott Basketball program and their presence will be missed.
